STATEMENT OF SUBSTANCE OF INTERVIEW

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the telephonic interviews held with Examiner David Buttner on January 21, 2004 and January 22, 2004, Applicants are submitting a statement of the substance of the interview pursuant to MPEP § 713.04.

REMARKS

Applicants would like to thank Examiner Buttner for the helpful discussion with Applicants' representative on January 21, 2004 and January 22, 2004. In this interview, Applicants noted that the U.S. Patent & Trademark Office's Patent Application Information Retrieval (PAIR) system listed the present application as "Allowed." Since the Notice of Allowance had not yet been received, Applicants requested a copy of the Notice to be sent by facsimile to (312) 321-4299. This request was in view of the impending expiration of the Period for Reply on January 25, 2004.

In response to this request, Examiner Buttner confirmed that the present application had indeed been allowed, and that the Notice of Allowance was mailed on January 20, 2004. However, Applicants were informed that a copy of the Notice was unavailable due to a backlog in the conversion of paper correspondence to electronic form by the U.S. Patent & Trademark Office.

Accordingly, Applicants are not filing a Notice of Appeal or a Request for Continued Examination in this application prior to the expiration of the Period for Reply to the Final Office Action mailed July 25, 2003. Applicants are acting on the basis that the application has been allowed, as confirmed by the Examiner and by the PAIR system. A printout of the information for this application as available on the PAIR system on January 23, 2004 is attached herewith.

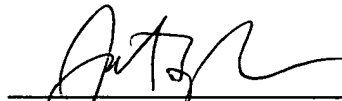

CONCLUSIONS

In conclusion, all of the grounds raised for rejecting the application are believed to have been overcome or rendered moot, and Applicants understand that the application has been allowed. Based on the Amendment and Request for Reconsideration filed November 25, 2003, Claims 1-56 should be allowed.

No fees or petitions are believed to be due in connection with filing of this Statement of Substance of Interview. However, should any petition for extension of time under 37 CFR § 1.136(a) and/or any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to these material, that petition is hereby made, and/or the Commissioner is hereby authorized to deduct said fees from Brinks Hofer Gilson & Lione Deposit Account No. 23-1925. A duplicate copy of this document is enclosed.

Respectfully submitted,

1/23/04
